PREAMBLE

The following sets out the elements of the tentative agreement reached between HEABC and the Health Science Professionals Bargaining Association (HSPBA) on November 8, 2018. This document provides in detail the new or changed provisions of the collective agreement. Each of the new or changed provisions includes an “Interpretation/Comment Section” to assist with clarifying the impact of the provision.

Unless specifically stated in the Interpretation/Comment section, all provisions of this tentative agreement shall come into full force and effect April 1, 2019.

TERM

The parties agree that the term of the renewal of the 2014-2019 Collective Agreement shall be April 1, 2019 – March 31, 2022.

GENERAL WAGE INCREASE

The parties agree to the following general wage increase for all employees for the 2019 – 2022 Collective Agreement:

- Effective the first pay period after April 1, 2019 2.0%
- Effective the first pay period after April 1, 2020 2.0%
- Effective the first pay period after April 1, 2021 2.0%

**LETTER OF UNDERSTANDING –
RE: PUBLIC SECTOR GENERAL WAGE INCREASES**

As part of the Memorandum of Settlement between HEABC and the HSBPA to renew the 2014 – 2019 HSPBA Collective Agreement, the parties also agree to the following:

1. If a public sector employer as defined in s.1 of the *Public Sector Employers Act* enters into a collective agreement with an effective date after December 31, 2018 and the first three years of the collective agreement includes a cumulative nominal (i.e.: not compounded) general wage increase of more than 6%, the general wage increase in the 2019 – 2022 Collective Agreement will be adjusted on the third anniversary of the 2019 – 2022 Collective Agreement so the cumulative nominal general wage increases are equivalent. This Letter of Understanding is not triggered by any general wage increase awarded via binding interest arbitration.
2. A general wage increase and its magnitude in any agreement is as defined by the Public Sector Employers' Council Secretariat and reported by the Secretariat to the Minister responsible for the *Public Sector Employers Act*.
3. For clarity, a general wage increase applies to all bargaining unit members and does not include wage comparability adjustments, targeted low wage redress adjustments, labour market adjustments, service improvement allocations, and is net of the value of any changes agreed to by a bargaining agent for public sector employees to obtain a compensation adjustment.
4. This Letter of Understanding will be in effect during the term of the 2019 – 2022 Collective Agreement.

LONG SERVICE RECOGNITION

Effective the first pay period after April 1, 2021, a 25th year step on each wage schedule is created which will be 0.25% higher than the respective 6th year step.

ARTICLE I – DEFINITIONS

Amend Article I of the HSPBA Collective Agreement by deleting the definition of Spouse.

ARTICLE 5 – UNION RIGHTS, RECOGNITION AND SECURITY

5.01 The Union As Exclusive Bargaining Agent

The Employer recognizes the Association as the exclusive bargaining agent for all employees for whom the Union has been certified as bargaining agent.

The effective date of such a change will be the first pay period following the sixty (60) days notice.

The definition of total earnings as defined by the Union may only change once per Collective Agreement year.

The Employer shall supply each employee, without charge, a receipt for income tax purposes shown on the T4 slip in the amount of the deductions paid to the Union by the employee in the previous tax year. Such receipts shall be provided to the employee prior to March 1 of the succeeding year.

5.06 Membership and Dues Authorization Forms

The Employer shall ensure that Application for Membership forms as well as Dues Authorization forms are signed by new employees at the earliest possible date following their commencement of employment.

The Union(s) shall inform the Employer in writing sixty (60) days in advance of any change in the amount of dues or initiation fees to be deducted from each employee.

5.08 Bargaining Unit Information

- (a) The Employer shall provide the Union Head Office designate and the local Union Steward monthly, with lists of new, resigned and terminated employees, or a system as mutually agreed between the Employer and the Union. The list shall specify whether the employees are regular or casual and the date of their commencement or termination of employment.
- ~~(b) By January 31 of each year, the Employer shall provide the Union head office with an up to date seniority list, including the classification (and level) and status of each employee, posted FTE, the telephone number and the mailing address of each employee according to the Employer's records. Where the Employer has a consolidated record of the employees' grades and/or increments, or where such information can be readily compiled, the Employer shall provide this information to the Union head office.~~
- (b) On the last date of the payroll period immediately prior to January 31 and July 31 of each calendar year, the Employer shall provide employee seniority lists to the Head Office of each representative Union and post the lists electronically. Such lists will be separated by worksite, and will set out the seniority of all employees at the worksite. (c) Where such lists are produced in electronic format, and where the Employer's system allows, the Employer shall provide the seniority lists to the Union in electronic format.

~~(d) Where the Employer has a consolidated record of the employees' grades and/or increments, or where such information can be readily compiled, the Employer shall provide this information to the Union head office.~~

Paid union stewards will continue to be covered by all provisions of the collective agreement and shall continue to be eligible for additional shifts on the same basis as if they were working in their regular position.

The positions are intended to foster understanding and communication between the parties, reduce workplace differences short of arbitration, and be available when needed to assist on workplace issues.

The Union will inform the Employer whenever any Union Staff or designate intend to visit the Employer's place of business. Such Staff shall be granted access to the Employer's premises upon the prior consent of the Employer, which consent shall not be unreasonably withheld. Union leave under the following four (4) sections will be unpaid. The Employer will maintain regular pay and bill the Union for the costs of the employee's salary and benefits. If the Union member is part-time or casual, and the leave is greater than their normal work hours, the Employer will pay the employee for the full length of the leave requested by the Union. The Employer will bill the Union for these days as noted above. The Union will pay these invoices within twenty-eight (28) days. 5.15 Union Employment

Union members appointed to a paid position in the Union shall be granted an unpaid leave of absence up to one year and upon at least thirty (30) days notice in writing of the leave request. ARTICLE 9 – VACANCY POSTING

9.01 The Employer agrees that when a vacancy occurs for a position covered by the union certification, the Employer will give union members in the Health Organization first consideration in filling a vacancy. Where first considered applicants are not appointed to a vacancy, they will be given a verbal explanation as to why their application has not been accepted, if the employee so requests.

The Employer may implement electronic job postings and employee application for job posting in place of or in conjunction with paper posting.

9.02 The employer will post notice of vacancies for positions covered by the union certification. The notice will be posted, where employees can see it, for at least ten (10) calendar days before the closing of the competition.

The employer agrees to post notice of temporary vacancies of four (4) months duration or longer. A regular employee who bids into the vacancy will revert to her/his previous position on the expiry of the temporary vacancy. A casual employee who bids into the vacancy will have her/his status changed to regular for the duration of the vacancy and will revert to casual status on the expiry of the temporary vacancy.

The notice of vacancy will provide the following information:

- a summary of the duties including the intended work assignment
- commencement date
- required qualifications
- classification/salary grid level
- full-time or part-time

The employee must be available for an interview within seven (7) calendar days following the closing of the competition or by the time the schedule of interviews for other internal candidates is complete. This provision is not intended to permit standing applications.

9.04 A copy of the posted notice will be sent to the Union representative or her/his designate within the aforementioned ten (10) calendar days.

9.05 Upon selection of a successful candidate to fill a vacancy, the Employer will post the name(s) of the successful candidate(s) within seven (7) calendar days of making the appointment, and provide the Union representative with a copy of the posting.

9.06 Health Science Professional positions will be filled by Health Science Professional personnel.

9.07 The following changes to the status or scheduling of a position create a requirement to post under section 9.01:

- (a) a change in status between full-time and part-time, or
- (b) a change in scheduled hours of more than ~~7.2~~ 7.5 ~~effective September 1, 2013~~ hours per week within a ~~twelve (12)~~ twenty-four (24) month period from the date of such change, or

ARTICLE 24.09 – ASSIGNMENT OF ADDITIONAL SHIFTS

To ensure efficient and effective health care services within a climate of fairness, current agreed-upon processes ~~arrangements~~ for the assignment of additional shifts will continue. If no agreed-upon ~~process arrangement~~ exists, the Employer will meet with affected employees at the work unit level to develop a mutually-agreed process, ~~with primary consideration for assignment by seniority unless that is impractical in the circumstances.~~ Mutual agreement shall be determined by two-thirds (2/3) of the affected employees at the work unit and the Employer. If there is no resolution, then additional shifts shall be allocated by seniority equitably to qualified casual and part-time employees, considering their availability and ability (including clinical competency) to meet clinical needs.

Notwithstanding the above, the Employer may assign additional shifts to casual employees in order to maintain a threshold level of technical and operational knowledge or to retain an adequate complement of casual employees.

For clarity, if an employee proceeds directly to a business location other than their ~~regular~~ home work site(s), they may claim as business related mileage all kilometres travelled from that location. If the business location is further than their ~~regular~~ home work site(s), they will claim all kilometres travelled which exceed the distance between their home and their ~~regular~~ home work site(s).

Where the Employer and employee concerned agree, the requirement for fourteen (14) ~~twelve (12)~~ calendar days of advance notice may be waived. If an employee is required to work overtime, or answer call-backs, and does not receive a total of eight (8) consecutive hours off duty between ten (10) pm and the commencement of the employee's next shift, then the employee will not be required to report for duty until the employee has received a total of eight (8) consecutive hours off duty. In such instances no deduction will be made in the employee's daily pay and the employee's normal shift hours will not be extended to have the employee work a full shift.

The employee in the above situation will advise their Supervisor in advance of the fact that they will not be reporting for duty at her/his scheduled time.

This provision is waived if the employee is granted a request for a particular shift arrangement that does not give the employee eight (8) consecutive hours in total off duty between shifts.

28.07 Pagers

Where an employee is required by the employer to be on-call; and where the employee requests the employer to provide a pager; and where a pager service is available at reasonable expense, all such expenses shall be the sole responsibility of the employer.

 - f. A Classification Plan Maintenance Agreement, which will include a dispute resolution procedure to replace Article 11 of the Collective Agreement; and
 - g. Methodology to revise and standardize the impact of the number of FTE staff supervised on supervisory classification and/or compensation, with gradations/levels based on the number of FTE supervised.
3. At the request of either party the CRC may engage John Kinzie as a facilitator to assist the parties with respect to the process set out above. Should the parties reach an impasse, Mr. Kinzie may provide written binding recommendations before April 1, 2019.
 4. HEABC and its Employer members will match existing jobs to profiles by March 31, 2020. The CRC will develop an expedited dispute resolution process for Unions to represent their members who believe that their position has been matched to an incorrect profile. All disputes must be resolved no later than December 31, 2020.
 5. The CRC will distribute all available funds as set out within the attached Appendix A.

APPENDIX A – CLASSIFICATION AND COMPENSATION SYSTEM

The parties have allocated a fund of \$10,000,000 (the “Fund”) for the purposes of moving towards a profile-based, modernized classification and compensation system. The parties recognize that this fund will not be enough to fully implement the new classification and compensation system during the term of this Collective Agreement and have prioritized measures that:

- Support the future implementation of the new system;
- Improve recruitment and retention;
- Support implementation of the Ministry of Health Target Operating Model, including creation of community-based care teams; and
- Address existing inequities.

To this end, within thirty (30) days of ratification of the Collective Agreement, the parties shall draft terms of reference for the establishment of a joint working group to implement the initiatives and to administer the Fund as set out herein (the “Working Group”).

It is understood that these initiatives cannot exceed the mandated fiscal envelope on a year-over-year basis, and that the ongoing end rate costs of these initiatives cannot exceed \$10,000,000 at the end of the Collective Agreement term.

With these objectives in mind, the funds shall be applied as follows:

YEAR I (April 1, 2019)

- a) A new and distinct Diagnostic Medical Sonographer four (4) grade job family shall be established retaining the current Grades III to VI classification level definitions and salary structures applicable to Diagnostic Medical Sonographers and renaming them as Grades I to IV. Further, the Diagnostic Medical Sonographer job family will have appropriate Grade II classifications for Sole Charge and working without general supervision*.

*NB – see provision (r) regarding working without general supervision being subject to the Working Group.

- b) A new and distinct Magnetic Resonance Imaging Technologist four (4) grade job family shall be established retaining the current Grades III to VI classification level definitions and salary structures applicable to Magnetic Resonance Imaging Technologist and renaming them as Grades I to IV. Further, the Magnetic Resonance Imaging Technologist job family will have appropriate Grade II classifications for responsibility for a student, Sole Charge, and working without general supervision*.

*NB – see provision (r) regarding working without general supervision being subject to the Working Group.

2019-2022 Health Science Professionals Bargaining Association Provincial Agreement
Summary of Changes
November 2018

- c) A new Miscellaneous Provision applicable to the new Grade IV Diagnostic Medical Sonographer and Magnetic Resonance Imaging Technologist classifications shall be added to the Operating Instructions 2 - Miscellaneous Provisions stating that where the number of FTE in a department/section exceeds the maximum stated in the Grade IV classification definitions by fifty percent (50%) or more, an additional five percent (5%) will be paid above the Grade IV wage rate. In the event of a Grade IV Chief supervising a Grade IV section head who is receiving the additional five percent (5%), the Chief will receive an additional ten percent (10%).
- d) The classifications and corresponding wage grid levels of all professions/occupations classified in accordance with separate memoranda (i.e. related to establishing wage rates for a profession or occupation, not memoranda particular to single situations) shall be added to the Industry Wide Miscellaneous Rates (IWMR) section of the collective agreement. The Unions and Employers will identify all such existing memoranda and provide them to HEABC, allowing sufficient time for verification. The parties will make best efforts to complete this work by March 31, 2019.
- e) Staff level IWMR (including those in (d), above) shall be compensated at one (1) grid higher* when assigned to work sole charge or when they are responsible for a student.

“Staff level” are generally positions that do not work sole charge and are under general supervision (i.e. the job is equivalent to grade I jobs in job families). Where there is dispute about whether a position is “staff level”, the Working Group will review the job description, employer organizational charts, and past and current practice of the job to determine if it is appropriately classified as a staff level position.

*Placement at the higher grid level shall be at the rate that results in a minimum monthly increase of \$82.

- f) For those classifications that have two entry level qualifications (such as Art Therapist, Child Life Specialist, Dental Hygienist, Infant Development Program Consultant, Licensing Officer, Recreation Therapist, Speech-Language Pathologist and Vocational Counsellor) there shall remain two staff level classifications and salary structures, however, for classifications above staff level in such disciplines there shall be only one salary structure (i.e. the higher of the previously existing two). Initial placements within the new increment structures shall be at the rate that results in a minimum monthly increase of \$82.
- g) The Social Program Officer classifications are deleted and the following shall apply:

Health Science Professional Disciplines Allied to the Social Work Discipline

Positions where the qualifications are not exclusive to any one discipline and where the position provides a counselling, education, prevention, referral, or advocacy service to individuals, families, or groups with mental health,

behavioural, addiction, or chronic medical concerns will be classified in accordance with the Social Worker definitions* and grid levels.

For any and all grid level increases resulting from the above, initial placements within the new increment structures shall be at the rate that results in a minimum monthly increase of \$82.

*NB – see provision (r) re working without general supervision.

h) The Combined Laboratory/X-Ray Technologist references in the Industry Wide Miscellaneous Rates are deleted, and Combined Laboratory/X-Ray Technologist is added to the list of Health Science Professional Disciplines Allied to the Medical Technology Disciplines. Movement to the Medical Technologist salary structure shall be based on placement within the new increment structure which results in a minimum monthly increase of \$82. It remains agreed that a Combined Laboratory/X-Ray Technologist at the Grade I Level is working under the general supervision of a Medical Technologist or a Medical Radiation Technologist or a Diagnostic Medical Sonographer or a Combined Laboratory/X-Ray Technologist. For situations where work is performed without general supervision, see provision (r) re working without general supervision.

i) The salary structures for Supported Child Development Consultants shall be:

For clarity, all employees receiving Qualification Differential in accordance with the current language shall continue to receive it under the above revised language.

YEAR 2 and 3

r) The Working Group shall allocate any monies remaining from the \$10,000,000 fund after provisions (a) through (q) have been implemented. The Working Group shall allocate the remaining funds in the following priority order:

- To address anomalies flowing from the transition of MOU classifications to the IWMR per provision (d). An example of an anomaly may be where a MOU position is classified at a grid level that is inconsistent with other positions in the IWMR (e.g. the position requires a degree but has been classified lower than grid 8). It is agreed that any compensation increases will not be inconsistent with the classification system.

- To compensate staff level positions that have new provisions for working without general supervision pursuant to this Appendix. The Working Group will first identify such staff level positions working without general supervision and then evaluate the cost of coding up these professionals for the time that they are working without general supervision.
- s) The Working Group will investigate and report back to the respective bargaining committees regarding the cost impact of implementing the following prospective language:

Staff level employees assigned to perform a higher rated job or supervise a student for four hours or less during their shift will be coded up for a minimum of four hours. Where a staff level employee is assigned to relieve in a higher rated job or supervise a student for more than four hours during their shift, the employee will be coded up for the entire shift. It is understood that this change in payroll practice will not, in and of itself, lead to a finding that the employee is performing these duties/tasks for the “majority of the time”.

- t) The Working Group will identify identical jobs performed at different wage rates by one or more professions. Either HSPBA or HEABC may bring forward identical jobs for review by the Working Group. The Working Group will report back to the respective bargaining committees regarding the cost of assigning a single salary structure (the highest) to the jobs found to be identical.

ARTICLE NEW __ DOMESTIC AND SEXUAL VIOLENCE LEAVE

The Employer shall grant a request for an unpaid leave to a maximum of seventeen (17) weeks if the reason is in relation to domestic or sexual violence.

In the event that present or future legislation enacts provisions with a greater entitlement to maximum weeks of leave in relation to domestic or sexual violence, that legislative provision shall prevail.

An employee's entitlement to leave in this section is in addition to any entitlement to leave under other articles of the collective agreement.

An employee granted leave under this section shall be entitled to benefits in accordance with Article 22 (Leave – Unpaid). For the balance of the leave taken pursuant to this Article, the service of an employee shall be considered continuous for the purpose of any pension, medical or other plan beneficial to the employee, and the employer shall continue to make payment to the plans in the same manner as if the employee was not absent.

Casual employees shall not be required to be available for shifts for up to seventeen (17) weeks if the employee's unavailability is in relation to domestic or sexual violence.

**APPENDIX 10 – MEMORANDUM OF UNDERSTANDING
RE: ENHANCED DISABILITY MANAGEMENT PROGRAM**

Section A – General Principles and Application

The purpose of the Enhanced Disability Management Program (EDMP) is to facilitate an employee-centered, pro-active, appropriate and customized disability management program for employees with occupational and non-occupational illness/injury.

Employees who participate in the program will benefit from a holistic Case Management Plan (CMP) that may include medical intervention, transitional work (TW), a graduated return to work (GRTW), workplace modifications, vocational rehabilitation and/or retraining.

1. Elements of the EDMP

- 1.1 A CMP will be developed for all employees who participate in the EDMP and will include milestones and expected outcomes. An employee's CMP will be based on the assessment of factors such as prognosis, capabilities and limitations, skill and education, and the likelihood of a return to work. The CMP is intended to provide early, appropriate and on-going support for ill or injured employees. The EDMP process sets out regular reviews and monitoring of individuals and is intended to provide a more seamless process for employees returning to work or requiring support from the Long Term Disability (LTD) Plan while in receipt of benefits.
- 1.2 The LTD Plan is available to employees who meet the LTD eligibility requirements. In circumstances where the employee's absence results in an employee receiving an LTD benefit, this benefit will be part of the employee's EDMP.
- 1.3 The EDMP shall be made up of this Appendix, the Policies and Procedures, and the Case Management Dispute Resolution Process. The Policies & Procedures document can be updated, as necessary, by the Provincial Steering Committee (PSC).

2. Effective Date

- 2.1 The EDMP is effective April 1, 2011.
- 2.2 The EDMP shall address all phases of the disability management process and will replace existing Collective Agreement provisions related to early intervention, long term disability and early safe return to work for all employees with a date of disability on or after April 1, 2011. Unless otherwise mutually agreed by the parties, existing collective agreement provisions related to early intervention, long term disability and early safe return to work will continue to apply to employees with a date of disability prior to April 1, 2011.

3. Goals

The Goal of EDMP is to:

- Provide early, appropriate and on-going support so that ill/injured employees maintain their connection with the workplace and return to work in a safe and timely manner.
- Provide support to employees who are struggling at work when participation in this program could reasonably prevent the employee from being off work.
- Provide appropriate, caring, professional case management of the ill/injured employee's medical, personal, workplace and vocational issues to facilitate a timely return to work.
- Promote a safe, accessible and healthy workplace.
- Encourage health promotion and employee wellness.
- Reduce the cost of sick, long term disability (LTD) and Workers Compensation Board (WCB) leaves.

4. Overriding Principles

- Improvements in disability management processes will be jointly developed and administered.
- Disability management is intended to facilitate early intervention, effective rehabilitation, stay at work and early return to work programs.
- Reasonably addresses barriers to return to work – medical, personal, vocational and/or workplace.
- Emphasis will be placed on developing a program that responds in a timely manner. The earliest possible return to work is in the best interest of an employee who is disabled.
- Prevention and disability management processes will be evidence based, continuous and integrated.
- EDMP processes will potentially apply to all incidents of inability to work as a result of illness, injury, disability or impairment.
- Regular employees who are off work with a work related illness/injury or who are off work for a non-work related illness/injury for five (5) consecutive shifts are required to participate in the program unless the employee has a bona fide reason to decline.
- All medical accommodations must go through EDMP.
- EDMP will be compliant with legislation and regulations (e.g. *Workers' Compensation Act*, human rights legislation, including duty to accommodate and privacy laws), and the Collective Agreement.
- Confidential medical information will be protected.
- Disability management is most effective when delivered as close to the workplace as possible.
- An effective system-wide evaluation will be implemented. This requires the development of a framework, determining key metrics and identifying the frequency of data sharing.
- Effective disability management is intended to reduce costs and should recognize that a cost/benefit analysis of individual situations may be required.

5. Governance and Administration

5.1 Provincial Steering Committee (PSC)

5.1.1 The PSC will be made up of 6 (six) representatives of HEABC and its members, and 6 (six) representatives of the Association.

5.1.2 The PSC will be the governing body and will carry out its roles and functions in accordance with the EDMP, and will establish a sufficient number of Working Groups to oversee the day to day operation of the program.

5.2. Working Group Participation

5.2.1 The Union and the Employer will appoint an equal number of representatives.

6. Standard Practices

6.1 The EDMP will be administered in a manner consistent with the Collective Agreement and the policies and procedures developed by the PSC.

6.2 In the event the employer uses a third party to provide EDMP services, the employer will ensure that the third party fulfills its role in a manner consistent with the EDMP. The employer will ensure that the necessary service level standards are in place with the third party provider.

7. Evaluation

7.1 The parties agree to conduct evaluations in accordance with the established framework.

8. Provision of Services

8.1 EDMP will provide appropriate services at no cost to the employee, including the cost of obtaining Occupational Functional Assessments (OFAs).

9. Dispute Resolution Process

9.1 All case management disputes shall be resolved in accordance with the Case Management Dispute Resolution Process.

9.2 All other disputes concerning the interpretation, application, operation or any alleged violation of the EDMP are subject to the grievance and arbitration procedure set out in the Collective Agreement.

10. Privacy

10.1. Confidentiality and the right to privacy protection is an important guiding principle of the EDMP. Confidentiality policies will be developed by the PSC including rules regarding what information is collected, from whom and under what circumstances it is shared, and where and for how long it is stored.

11. Case Management

11.1 Eligible employees will benefit from a holistic CMP that may include medical intervention, transitional work, graduated return to work, workplace modifications, vocational rehabilitation, and/or retraining. All CMPs will be developed in accordance with the EDMP. The CMP will be based on the assessment of factors such as prognosis, capabilities and limitations, skill and education, and likelihood of a return to work.

- 11.2 Upon successful completion of a CMP and being deemed as fit to return to work, an employee will return to their own job unless it is identified in the CMP that an employee cannot return to their own job and requires an accommodation. The employee's ongoing limitations and restrictions will be communicated to their Employer.
- 11.3 Within two (2) weeks of receipt of the employee's limitations and restrictions and confirmation that the employee is fit to return to work, the Employer will contact the employee and the Union to discuss possible accommodation options.
- 11.4 Within four (4) weeks of receiving the employee's limitations and restrictions and confirmation that the employee is fit to return to work, the Employer will offer the employee transitional work consistent with their limitations and restrictions, or must begin paying the employee at their pre-disability rate of pay and FTE. Where an employee's limitations and restrictions require that the employee works a lower FTE than their pre-disability FTE, or complete a Graduated Return to Work, the employee will be paid for the hours that the employee is cleared to work. Transitional work may include modified duties, access to education funds to upgrade skills, and/or special projects.
- 11.5 For employees in receipt of long-term disability benefits, transitional work set out in Section A – 11.4, will be considered rehabilitative employment and will be paid according to Section B – 15.
- 11.6 An employee who cannot return to their own job will be an automatic candidate for all vacancies with the Employer and shall have the ability to bump under the collective agreement for positions that the employee is qualified and capable of performing, within their limitations and restrictions.
- 12. Request for Leave while engaged in a CMP**
- 12.1 Employees who are engaged in a CMP may request leave on a day that they are scheduled to work. Leaves will be granted and paid in accordance with the Collective Agreement (see Section B 16.1 for employees in receipt of LTD Benefits).
- 13. Graduated Return to Work (GRTW)**
- 13.1 A Graduated Return to Work (GRTW) supports an employee through a time limited gradual increase in hours and/or duties to return to their own job or suitable alternate position.
- 13.2 Participation in a GRTW is contingent upon clearance from the appropriate medical professional. The GRTW shall be considered as part of the treatment/rehabilitation process under the EDMP. All employees engaged in a GRTW shall be supernumerary.
- 13.3 A written GRTW for the employee will include:
- 13.3.1 An overview of the employee's GRTW, including its expected outcome and end date, and
- 13.3.2 The number of phases, their duration and the number of hours to be worked per shift in each phase.
- 14. Wages and Benefits on a GRTW as part of a CMP**
- 14.1 Employees will receive pay and appropriate premiums for all hours worked. Sick, vacation or banked time off, if available, may be used for hours not worked.
- 14.2 Benefits under Article 34 are reinstated on commencement of a GRTW and continue while the employee is actively participating in the program.

- 14.3 All other benefits of the Collective Agreement accrue on a proportionate basis (see Section B – 17 for employees in receipt of LTD benefits).

Section B – Long Term Disability (LTD) Plan

1. Eligibility

- 1.1 Based on the probationary period for regular full-time employees, upon completion of three (3) months of continuous employment, regular full-time and regular part-time employees (except for casual employees appointed to temporary positions or temporary vacancies), become members of the Long Term Disability (LTD) Plan as a condition of employment.
- 1.2 The Employer will deduct premiums in accordance with Article 34.05 from each eligible employee. The premium will be a percentage of straight time wages, as determined by the HBT/underwriter. The HBT/underwriter will provide the Employer and the Association with reasonable notice of changes to the premium.
- 1.3 In the event an employee, while enrolled in this Plan, becomes totally disabled on or after April 1, 2011 as a result of an accident or sickness, then, after the employee has been totally disabled for five (5) months, the employee shall be eligible for long term disability benefits.
- 1.4 Total Disability, as used in this LTD Plan, means the complete inability because of an accident or sickness, of a covered employee to perform the duties of their own occupation for the first two (2) years of disability. Thereafter, an employee who is able by reason of education, training, or experience to perform the duties of any gainful occupation for which the rate of pay equals or exceeds seventy percent (70%) of the current rate of pay for their regular occupation at the date of disability shall no longer be considered totally disabled under the Plan. However, the employee may be eligible for a Residual Monthly Disability Benefit. (See Section B – 6 - Residual Monthly Disability Benefit of this Appendix)
- Total disabilities resulting from mental or nervous disorders are covered by the plan in the same manner as total disabilities resulting from accidents or other sicknesses.
- 1.5 During a period of total disability an employee must be under the regular care of a medical doctor and participating and cooperating in a reasonable and customary treatment program.

2. Exclusions from Coverage

- 2.1 The LTD Plan does not cover total disabilities resulting from:
- 2.1.1 war, insurrection, rebellion, or service in the armed forces of any country;
 - 2.1.2 voluntary participation in a riot or civil commotion, except while an employee is in the course of performing the duties of their regular occupation;
 - 2.1.3 intentionally self-inflicted injuries or illness.

3. Application for LTD Benefits

- 3.1 A written application under the LTD plan shall be sent to the claims-paying agent no longer than forty-five (45) days after the earliest foreseeable commencement date of benefit payments from the LTD Plan or as soon thereafter as is reasonably possible. Failure to apply within the time

stated shall not invalidate nor reduce the claim if it was not reasonably possible to file the required application within such time, provided the application is sent no later than six (6) months from the time the application is otherwise required.

4. Waiting Period/Transition to LTD

- 4.1 Employees who still have unused sick leave credits after the waiting period when the long term disability benefit becomes payable shall have the option of:
 - 4.1.1 using sick leave credits to top up the long term disability benefit; or
 - 4.1.2 banking the unused sick leave credits for future use.
- 4.2 Employees who will be eligible for benefits under the LTD Plan shall not have their employment terminated. Following expiration of their sick leave credits and/or any other paid leaves to which they are entitled, they shall be placed on unpaid leave of absence until receipt of LTD benefits.
- 4.3 Employees who have a CMP and participate in transitional work, a graduated return to work or an accommodation during the LTD waiting period will not have their entitlement to LTD benefits delayed as a result of participating in the CMP.
- 4.4 An employee who has been granted any unpaid leave of absence totaling less than twenty-one (21) days in any year (including time while in receipt of LTD) shall continue to accumulate all benefits.
- 4.5 An employee shall not accumulate benefits from the twenty-first (21st) day of unpaid leave (including time while in receipt of LTD) to the last day of the unpaid leave (see Article 22 of the Collective Agreement).
- 4.6 Upon expiration of an unpaid leave an employee shall receive credit for previously earned benefits and shall resume accumulating benefits.

5. LTD Benefits

- 5.1 Provisions set out under Section B 4.4, 4.5 and 4.6 apply to employees in receipt of LTD benefits.
- 5.2 Medical, Extended Health and Dental – Employees on long term disability who have already been granted unpaid leave of absence (including time while in receipt of LTD benefits) totaling up to twenty (20) days in any year may choose to continue to maintain any or all of the Medical, Extended Health and Dental benefit plan coverage. The premiums will be cost shared by the employer and employee on a 50-50 basis provided the employee pays their portion of the premium for such coverage in advance on a monthly basis.
- 5.3 Pension – Employees on long term disability shall be considered employees for the purposes of pension in accordance with the Municipal or the Public Service Pension Plan Rules, as applicable.
- 5.4 Group Life Insurance – Employees on long term disability shall have their group life insurance and AD&D premiums waived and their coverage continued.
- 5.5 LTD Premiums – LTD premiums shall be waived while an employee is in receipt of a disability benefit from the LTD Plan.

5.6 Totally disabled employees shall receive a benefit equal to seventy percent (70%) of the first \$5298 of the pre-disability monthly earnings and fifty percent (50%) on the pre-disability monthly earnings above \$5298 or sixty six and two thirds percent (66-2/3%) of pre-disability monthly earnings, whichever is more. The \$5298 level is to be increased annually by the increase in the weighted average wage rate for employees under the Collective Agreement for the purpose of determining the benefit amount for eligible employees as at their date of disability.

It is understood that this adjustment will only be applied once for each eligible employee, i.e., at the date of the disability, to determine the benefit amount to be paid prospectively for the duration of entitlement to benefits under the LTD Plan.

5.7 The benefit is taxable.

5.8 In the event that the LTD benefit falls below the amount set out in Section B 5.6 above for the job that the claimant was in at the time of commencement of receipt of benefits, LTD benefits will be adjusted prospectively to seventy percent (70%) of the first \$5298 of the current monthly earnings and fifty percent (50%) on the current monthly earnings above \$5298 or sixty six and two thirds percent (66-2/3%) of current monthly earnings, whichever is more based on the wage rate in effect following review by HBT/underwriter every four years. (Note: the \$5298 figure will be adjusted as set out in Section B 5.6 above).

5.9 For the purposes of the above, earnings shall mean basic monthly earnings (including isolation allowances where applicable) as at the date of disability. Basic monthly earnings for regular part-time employees shall be calculated on the basis of the employee's average monthly hours of work for the twelve-month period or such shorter period that the employee has been employed, prior to the date of disability, multiplied by their hourly pay rate as at the date of disability.

5.10 The LTD benefit payment shall be made so long as an employee remains totally disabled and shall cease on the date the employee reaches age sixty-five (65), recovers, dies, or is eligible for and begins receiving the Early Retirement Incentive Benefit, whichever occurs first.

5.11 Employees are not to be terminated for non-culpable absenteeism while in receipt of long term disability benefits.

6. Residual Monthly Disability Benefit

6.1 The Residual Monthly Disability Benefit is based on eighty-five percent (85%) of the rate of pay at the date of the disability less the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that the employee is able to perform. The Residual Monthly Disability Benefit will continue until the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that the employee is able to perform equals or exceeds eighty-five percent (85%) of the rate of pay for their regular occupation at the date of the disability. The benefit is calculated using the employee's monthly long term disability net of offsets benefit and the percentage difference between the eighty-five percent (85%) of the employee's rate of pay at the date of disability and the rate of pay (the minimum being equal to seventy percent (70%) of the current rate of pay for their regular occupation) applicable to any gainful occupation that they are able to perform.

Example:

- a. Monthly long term disability net of offsets benefit = \$1000.00 per month
- b. 85% rate of pay at date of disability = \$13.60 per hour
- c. 70% of current rate of pay = \$12.12 per hour
- d. percentage difference [(b/c) - 1] = 12.2%
- e. Residual Monthly Disability Benefit (a x d) = \$122.00

7. Integration with other Disability Income

- 7.2 If other disability income is available to the employee, they must apply for this income prior to receiving LTD benefits. Other disability income shall include but is not limited to:

 - 7.2.5 any amount of disability income provided by any group or association disability plan to which the disabled employee might belong to or subscribe.
- 7.3 Private or individual disability plan benefits of the disabled employee shall not reduce the benefit from this Plan.
- 7.4 If a disabled employee becomes entitled to other disability income, such as a WCB or CPP award, as a result of the same accident, sickness, or illness for which they are eligible and entitled to receive LTD benefits under the LTD Plan, then the LTD Plan is entitled to be repaid.
- 7.5 The amount by which the disability benefit from this Plan is reduced by other disability income shall be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements shall not further reduce the benefit from this Plan until the LTD benefit payable is recalculated to reflect current wage rates (Reference Section B – 5.8).

8. LTD Plan Early Retirement Incentive Provision

- 8.1 The LTD Plan Early Retirement Incentive Benefit is to ensure that the eligible employee will not realize a pension benefit that is less than the pension benefit that they would have been entitled to receive at the normal retirement date, had they not applied for early retirement, regardless of when the early retirement incentive provision is activated (Reference Appendix 32).
- 8.2 An employee under this Agreement who is:

- 8.2.1 eligible for, or who is receiving LTD benefits or who has been in receipt of LTD under this Plan for four years or more;

- 8.3 The employee's entitlement to benefits under the LTD Plan shall, provided the employee remains eligible as per the definition of Total Disability, continue during the period of time that their application for early retirement is being processed with their pension plan administrator. In the event that the employee is not eligible for an unreduced pension benefit, they may still be eligible for the LTD Plan Early Retirement LTD Incentive Benefit.
- 8.4 Entitlement to and the amount of the LTD Plan Early Retirement Incentive Benefit shall be determined by considering the following factors:
- 8.4.1 the amount of the monthly pension benefit that the employee would have been entitled to receive if early retirement was not elected;
 - 8.4.2 the amount of the monthly early retirement benefit that the employee will receive;
 - 8.4.3 the amount of the gross monthly LTD benefit that the employee is entitled to receive;
 - 8.4.4 the amount of the net-of-offsets monthly LTD benefit that the employee is entitled to receive; and
 - 8.4.5 the maximum LTD benefit duration period applicable to the employee.
- 8.5 If the combination of pension benefit, Canada Pension Plan retirement benefit and any other disability income referred to in Section B – 7.2 of this Appendix results in monthly income of less than the LTD monthly income benefit, then the eligible employee shall be entitled to remain on LTD benefits.
- 8.6 An employee who is eligible for the LTD Plan Early Retirement Incentive Benefit shall be entitled to receive the benefit in a lump sum, or direct the HBT to any other designate. The employee shall complete an LTD Plan Early Retirement Incentive Benefit Application. Upon approval of the employee's application, the employee and the HSPBA/HBT will jointly sign the Terms of the LTD Plan Early Retirement Incentive Benefit.

- 9. LTD Appeals**
- 9.1 LTD claims shall be adjudicated and paid by a claims-paying agent to be appointed by the Trustee. The claims paying agent shall provide toll free telephone access to claimants. Claimants shall be provided with information about the appeal process and contact information for their union representative.
- 10. Claims Review Committee (CRC)**
- 10.1 If the employee continues to dispute a decision of the claims-paying agent, the employee may request to have the claim reviewed by a Claims Review Committee (CRC) comprised of three (3) independent and qualified medical doctors agreed to by the LTD Plan Advisory Committee.
- 10.2 The decision of the claims review committee is final and binding on all parties.
- 11. Return to Work**
- 11.1 Upon return to work following recovery, an employee who was on claim for less than twenty-four (24) months shall continue in their former job. An employee who was on claim for more than twenty-four (24) months shall return to an equivalent position, exercising their seniority rights if necessary, pursuant to Article 6.04.
- 12. Successive Disabilities**
- 12.1 If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work for a continuous period of six (6) months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments after the completion of another waiting period.
- 12.2 In the event the period during which such an employee has returned to work is less than six (6) months and the employee again suffers a total disability that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.
- 12.3 Should such an employee suffer a subsequent disability that is unrelated to the previous disability and provided the period during which the employee returned to work is longer than one (1) month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments after the completion of another waiting period. If the period during which the employee returned to work is one (1) month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments without the necessity of completing another waiting period.
- 13. Rehabilitation under LTD Plan**
- 13.1 Rehabilitative employment shall mean any occupation or employment for wages or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the underwriter of the LTD Plan.

13.2 Approved Rehabilitation Plan (ARP) means a rehabilitation plan that has been jointly developed by the employee and the employee's union, the Disability Management Professional (DMP) and the HBT/underwriter and approved by HBT/underwriter, consistent with the principles of the EDMP. The ARP shall be signed by the employee and the HBT/underwriter.

In the event that an employee is medically able to participate in a rehabilitation activity or program, called an ARP, that can be expected to facilitate a return to their own job or other gainful employment, entitlement to benefits under the LTD Plan will continue for the duration of the ARP as long as the employee continues to participate and cooperate in the ARP.

14. Rehabilitation Review Committee (RRC)

14.1 In the event that the eligible employee does not agree with the rehabilitation plan or does not agree that they are medically able to participate and cooperate in the rehabilitation plan, then, to ensure benefit entitlement under the LTD Plan, the employee must either:

14.1.2 appeal the dispute to the Rehabilitation Review Committee (RRC) for a resolution.

14.2 The RRC shall be composed of three (3) qualified individuals who, by education, training and experience are recognized specialists in the rehabilitation of disabled employees. The RRC shall be composed of three (3) individuals chosen on a rotating basis from a list of rehabilitation specialists mutually acceptable to the parties. The decision of the RRC shall determine whether or not the eligible employee is required to participate and cooperate in the rehabilitation plan. The rehabilitation plan approved by the RRC shall be deemed to be the ARP. In the event that the eligible employee does not accept the RRC's decision, their entitlement to benefits under the LTD Plan shall be suspended until such time as the eligible employee is willing to participate and cooperate in the ARP.

15. Rehabilitative Employment Benefits and Entitlements while in receipt of LTD Benefits

**APPENDIX 24 – MEMORANDUM OF UNDERSTANDING
RE: INTERIM CLASSIFICATION MODIFICATIONS**

**THIS APPENDIX APPLIES ONLY TO EMPLOYEES WHO WERE SUBJECT TO
CHANGES MADE PURSUANT TO THIS APPENDIX BETWEEN APRIL 1, 2011 AND
SEPTEMBER 25, 2012.**

During the negotiations for the renewal of the 2006-2010 Health Sciences Professional Collective Agreement the parties made a commitment to improve the classification system. In order to fulfill this commitment the parties agree to establish a classification committee to make recommendations to the parties regarding the modernization of the classification system.

While the classification committee is fulfilling its objectives and pending the implementation of these recommendations, the parties have agreed to apply the following interim measures:

Operating Instructions

- The requirement of Paragraph 3(a) for each paramedical department to have a Chief Health Science Professional is suspended.
- The requirements of Paragraph 3(b) are modified to read:
Where there is no Chief Health Science Professional, the most senior ranked paramedical(s) within the paramedical department, as determined by the employer, will be classified in accordance with the Provisions of the Wage Schedule, Section I (Wage Schedule).
- Paragraph 3(c) is deleted.

General Supervision

- The Classification Definition of “General Supervision” is suspended and the following interim definition will be operative:
All Grade I positions will have access to a supervisor in the Health Authority/Health Organization in their own discipline for clinical guidance where necessary. Such access does not need to be provided on-site and may be provided in-person or by email, telephone or other means of communication.

Supervisors who provide clinical guidance under the interim definition of “General Supervision” will not, by virtue of that responsibility alone, be classified or coded up to a higher classification.

The interim definition of "General Supervision" will apply to the grade definitions in the Job Families and to those Industry-Wide Miscellaneous Rates and memorandums that expressly include references to “working without general supervision”.

For Industry-Wide Miscellaneous Rates and memorandums that do not specifically reference “working without general supervision” as a basis for compensation, the interim definition of

“General Supervision” and the application of “working without general supervision” do not apply.

- The provisions of Article 10.04(b) apply to employees assigned to a lower-rated position as a direct result of the implementation of the new definition of “General Supervision” provided the employee remains in the position.

Note: the Classification Definition of “General Supervision” is amended to include a note referencing this Memorandum.

**APPENDIX 28 – MEMORANDUM OF UNDERSTANDING
RE: REQUIREMENT TO JOIN AND MAINTAIN MEMBERSHIP IN PROFESSIONAL
BODIES AS A CONDITION OF EMPLOYMENT**

WHEREAS:

- A. Employers represented by HEABC at times required employees represented by the Union to become members of various professional bodies as a condition of employment;
- B. Employers at times incorporated this requirement into job descriptions;
- C. The Union grieved the ability of the Employers to require employees represented by the Union membership to join and maintain membership in professional bodies as a condition of employment;
- D. The Union filed several grievances in respect of job descriptions that referenced mandatory membership in a professional body as a condition of employment; and
- E. The parties have agreed to settle all matters arising from the above grievances on the following terms.

Therefore HEABC and HSA agree as follows:

- 1) This agreement, including the definitions contained within it, (together referred to herein as the "Agreement") is made on a without prejudice basis to the positions either party may adopt or advance at subsequent bargaining.
- ~~2) This Agreement shall terminate when the current collective agreement between the parties expires (i.e. either on March 31, 2019, or at a later time if the agreement is extended by virtue of its bridging provisions).~~
- 23) In this Agreement and only for the purposes of this Agreement, the following terms are deemed to have the meanings that are set out below each term:
 - i) Professional Association

An organization representing the interests of a particular profession through various activities including but not limited to education, certification, professional development, publications, knowledge resources, conferences, research or networking.
 - ii) Licensure

A process required by law where a regulatory body permits individuals who possess the necessary credentials and/or qualifications to engage in a particular occupation or profession and/or to use a particular title. In certain professions, licensure and registration (see below) might be synonymous terms.

iii) Certification

A process to ensure individuals have achieved entry-level competency (skills, knowledge, education) to practice their profession. Measurement of competency can include but is not limited to examination (written or oral), minimum work experience and/or educational requirements.

Certification is not intended to assure appropriate professional conduct or continued competency once an individual is deemed certified and practicing.

Certification can be a one-time process (i.e. once certified always certified) or an on-going process where certification must be maintained by meeting specified criteria such as annual continuing education credits or clinical hour requirements.

Certification can be offered through a professional association (see above) or through another certifying body.

iv) Registration

A process whereby a group of professionals establish, maintain, and enforce standards of practice, standards of conduct and competency to ensure individuals practicing in their designated profession are doing so in a competent and professional manner at all times.

Registration can be mandatory (see "Licensure" above) or voluntary.

v) Membership

The process whereby an individual joins a professional association (see above) by meeting pre-defined membership requirements and paying annual dues.

34) Employers can continue to require certification as a condition of employment.

45) The Employer, in its sole discretion, may bear the cost of employees' membership in a professional association. Other than in circumstances where membership in a professional association is required for statutory, regulatory or accreditation purposes, as described in Paragraph 78 below, if an Employer requires membership in a professional association, the cost of the membership will be borne by the Employer.

56) Employers can continue to require that employees meet the eligibility requirements for membership in an applicable professional association.

~~67~~) This Agreement does not in any way diminish an Employer's right to continue an existing practice related to those professions that, currently or in the future, are required by professional statutes to be registered in order to practice the profession.

~~78~~) It is not the intention of this Agreement to reduce or otherwise negatively impact an Employer's ability to fulfill its mandated service expectations. It is recognized that in certain instances, a statute, regulation or accrediting body may require registration or membership in a particular professional association. Current practices in these circumstances are not impacted by this agreement. If, during the life of this Agreement, a new obligation arises from an accrediting body for the Employer to require other than certification and eligibility for membership, the Employer, HEABC and the Union will meet to address the specific circumstances and find a resolve. The Employer acknowledges that requirements for membership by an accrediting body have typically arisen in the context of educational initiatives that require membership of program staff.

It is typically obligations of this nature that are contemplated under the term "new obligations" in this Agreement. If they are not able to reach agreement, ~~Joan Gordon will retain jurisdiction a~~ mutually agreed to arbitrator will be appointed to assist the parties up to and including expedited arbitration.

~~89~~) HSPBA will continue to encourage its members to actively participate in their respective professional association.

~~94~~) Future job descriptions will reflect the terms of this agreement. Any inconsistencies between existing job descriptions and this agreement will be governed by this agreement.

~~11~~) ~~This Agreement fully and finally resolves the policy grievance and any other individual related grievances and/or objections. Further, the Union agrees it will not file any further grievances or job description objections on this matter through the conclusion of a renewal collective agreement after the expiry of the current 2012-2019 Agreement.~~

**APPENDIX 30 – MEMORANDUM OF UNDERSTANDING
